Message from Mr. Degitz.....

2017-2018....A Year in Review

As we transition from one school year to the next, I feel it is important to reflect on some of the outstanding events and accomplishments at Huntington North High School during the 2017-2018 school year. Space will not permit me to include them all, but here are a few highlights:

*The Class of 2018 earned \$2.7 million dollars in college scholarships....and still counting.

*The Class of 2018 gave to two local charities with their senior class gift totaling over \$10,000.

*The Viking Athletic Program earned the Northeast 8 All-Conference trophy! Points are earned by each athletic team for their rank in the conference standings, and our school placed 1st in the overall standings.

*While final calculations are still being determined for our official graduation rate for the Class of 2018, we are confident that we will again far exceed the 90% threshold and surpass the Indiana state average.

*We offered our students a robust curriculum, including 13 advanced placement courses and over 60 dual credit courses/programs.

*Nearly 300 students were enrolled in half day Career and Technical Education Programs.

*30 Huntington North juniors led a program called "Operation Impact" that mentored 5th grade elementary students in the areas of self-esteem, leadership, and decision-making.

*The Student Council began a new tradition for seniors, providing an opportunity to paint their own parking space in our student parking lot. The project received state-wide attention and even generated inquiries from Europe!

SEE BELOW FOR INSTRUCTIONS

*The Class of 2018 embarked on the first-ever “Senior Walk” for Huntington North High School. On their last student day, graduating seniors were able to walk through HNHS and the elementary school they attended in their caps and gowns.

*15 graduating seniors wore a red, white, and blue braided cord at our commencement ceremony, recognizing them for their enlistment into a branch of military service upon graduation. This is the first time in HNHS history that we have recognized those that will serve in the military during our commencement ceremony.

*Our Top 25 graduating seniors in the Class of 2018 all had above an 11.0 grade point average

*More student-athletes earned distinction as a scholar athlete than any other time in HNHS history.

*A Viking Ambassadors Program was initiated to engage community leaders and members in all of the happenings at HNHS. The Ambassadors were informed of programs/courses at HNHS and provided feedback to provide direction in better serving our students and community.

Again, while this is not an exhaustive list...there is much to be proud of! I am excited to build upon these highlights during the upcoming 2018-2019 school year as well!

Mr. Degitz

[SENIOR Parent Meeting - Aug. 29](#)

Counselors will meet with parents and students in regard to college admissions, financial aid, dual-credits, advanced placement courses, and testing information (SAT/ACT) on August 29 at 7:00 pm in the **HNHS Auditorium**.

Counselors will meet with all seniors during homeroom to go over the above information, as well as graduation requirements and future plans. Parents and students of any grade level are welcome even though information is more specifically designed for seniors. Reminders for this important meeting will be sent via school communications as the date approaches.

[MacBook Information](#)

Each Huntington North High School student will again receive a MacBook Air laptop computer for use during the 2018-2019 school year. This is a first-class learning tool and we expect that students will treat it as such. Please review the MacBook Policies located on our district website

to understand expectations and procedures (www.hccsc.k12.in.us - Parents - MacBook Guidelines and Policies). Students will receive their device on Wednesday, August 8. Students will receive an overview of this information this first day of school as well.

Freshman Orientation - August 3

Mark your calendar for the Freshmen Orientation that will be held at Huntington North High School on Friday, August 3 from 1:00 p.m. - 4:00 p.m. Every 9th grader at HNHS is assigned a Freshman Mentor. These mentors are upperclassmen who work with our freshmen to successfully transition to high school. Students will get their schedule, find their locker, and be able to tour the building. As a new part of the orientation day, there is a 30-minute parent meeting at 3:30 in the Commons and we would love for you to join us.

Registration: 12:45 p.m.– 1:00 p.m. Students should enter at Door 28 via Viking Lane and will then meet in the field house for registration. Students should be picked up at the same entrance at 4:00 p.m. Parents are welcome to join us at 4:00 p.m. for an optional tour of the building with their student if they wish.

Bring \$12.00 if you would like to purchase a HNHS Class of 2022 t-shirt.

Future³ Fair

HNHS invited over 40 colleges and universities, trade schools, local employers, and military branches to join us on August 29 comment 2018 for our Future³ Fair. The event will be held in the HNHS Fieldhouse beginning at 12 PM and continuing until 7 PM. There will be a break from 4 PM to 5 PM. All students and parents are invited to join us for this event. Information will be available about the three E³ 's: employment, enlistment, and enrollment opportunities.

Here Comes the Bus®

Now available to parents and guardians of Huntington County Community School Corporation students

- View the real-time location of your child's bus.
- Access the app from your smartphone, tablet or computer.
- Receive push notifications or email alerts.
- Send your child to the bus stop at the right time, every time.

How to get started:

1. From a computer, visit herecomesthebus.com
2. Click the Sign Up Today! button.
3. Enter school code 77459 and click "Next" followed by "Confirm".
4. Complete the "User Profile" box.
5. Under "My Students," click "Add." Enter your child's last name and student number. You can locate the student number in PowerSchool next to your student's name. You will need the whole 9 digit number.
6. Once you confirm your information, you're ready to begin using Here Comes the Bus!
